*Positions:

Chairman, Secretary, Treasurer and Ordinary Members (Max. 9)

PLEASE NOTE:

1. Our Constitution states that - *'The Executive Committee shall consist of three officers, a Chairman, Secretary and Treasurer together with a minimum of four and not more than nine ordinary members, who shall be elected annually at the Annual General Meeting.'*
2. If there is more than one nomination for each of the Officer positions or more than 9 nominations for the Ordinary Member positions a secret ballot will be held at the AGM in accordance with our Constitution.
3. Members of the current Executive Committee willing to stand for election are:
Peter Grocott (currently Chairman); Dave Morris (currently Secretary); Paul Quartermaine (currently Treasurer); Simon Davies; Susan Gerlach; Loraine Hunt; Cathy Matthews; John Ravenscroft; Graham Shenton; Sue Tarr.

You may nominate any of the above **and/or any member of the Society** provided that you have sought their approval and found someone to second your nomination. You can also nominate yourself – just let a fellow member or the Secretary know.

Please read this important message.

There will be two vacancies to fill at our AGM on Tuesday 18th January 2022 so I hope that you will seriously consider putting yourself forward for nomination before the closing date of 21st December 2021.

Committee meetings are held on the Zoom platform on the first Tuesday of each month (excluding July and August). It is planned that remote access to meetings will continue so if you can logistically manage to attend a maximum of 10 meetings each year **please consider making yourself available to serve on the committee, even if you can only commit to serve for 1 year.**

Although you will require a nominee and a seconder, please don't wait for someone to nominate you – **just let your willingness to serve be known to your fellow members or a member of the Committee, or give me a call** – Tel: 07980 870007.

If, after due consideration, you feel that you cannot make a personal commitment please talk to your fellow members and try to encourage them to put themselves forward.

Finally - **please will you at least consider nominating one of our existing Committee Members (see Note 3) to save them the embarrassment of having to seek out their own nominator and seconder!** They've already had the courage to express their willingness to serve and I'd much rather have an excess of nominations for the same person than none at all!

If you can please help keep your Society running by making a nomination – Dave (SFHS Secretary)
