TERMS & CONDITIONS

Consumer Protection (Distance Selling) Regulations

'Distance Selling' means all sales of goods and the provision of services, other than face to face, including transactions using the Internet, by mail order, telephone, fax and advertising in magazines, newspapers and periodicals.

A customer has the right to cancel an order for goods within 7 working days of receipt of the goods. This 7 day 'cooling off period' excludes Saturdays, Sundays and Bank Holidays. Notification of intention to cancel should be received by the Society within the cooling off period in writing.

'Writing' includes letter, fax and e-mail sent to the Society at its nominated address. A telephone call will not be acceptable.

On receipt of due notice, within the cooling off period, the Society will refund the retail sale price of the goods if, but only if, they are returned in a re-saleable condition. The goods are to be cared for by the customer at the customer's risk.

The cost of returning the goods must be paid for by the customer and will not be paid for by the Society. Payment of a refund will be made by the Society within 30 days of receipt of the returned goods in a re-saleable condition. A charge of £1 per order for postage and other costs incurred by the Society will be deducted from the refund. Refunds will be made by cheque.

The laws of England and Wales shall apply to this contract.
